New Alcohol Policy

Did you know that the consumption of alcohol in the Netherlands and especially among students is higher than the average? While it might sound funny, it can have detrimental consequences on your health and well-being. Therefore, we as a study association want to support everyone who wishes to lower their alcohol consumption and to reduce the peer pressure around drinking by introducing a new alcohol policy. This entails that for every event at which alcohol is served, good non-alcoholic alternatives need to be provided. Everyone around you is drinking a cocktail but you don't want to drink alcohol? Then why don't you try one of the delicious mocktail alternatives!

Bites of Science

Are you curious about the latest research at Campus Fryslan? Together with the PhD council, NCF organizes a lunch event on Monday 31st of May at 12:35 pm, during which the three PhDs Eko Rahmadian, Lisa Beumeler, and Elok Malay will talk about the research they are conducting. Similar to subjects in the GRL program, it will cover topics such as sustainability, IT, health, and culture. So there is something for everyone! And if it sparked your interest, the PhDs are happy to discuss or answer any questions. So grab your lunch and enjoy one hour of insights into newest and state-of-the-art research

PR Comittee

Dear NCF community,

Our young study association is growing slowly but steady, and we, as the PR committee, are happy to contribute to that growth. As you probably already know, the first drop of NCF merchandise is currently up and going! We believe that our very own t-shirts are going to make NCF better known across not only the campus but also Leeuwarden. But besides that, what is a study association without an official t-shirt anyways? On a smaller note, we are happy to bring some stickers to you soon, so that all members can have a little bit of Nobis Cura Futuri on their laptops, phones, or wherever they like. We have many more ideas regarding NCF merchandise that we want to realize in the future, so definitely be excited about future drops! Other than that, we are currently busy planning our participation in the intro week with the clear intention in mind, to gain as many new NCF members as possible. Until then, we'll keep on promoting events, producing this newsletter, and who knows, maybe there will be a small surprise waiting for you at the end of the academic year... ;)

New Board

Thank you to all our eager members who were interested in becoming the NCFs Board of 2021-2022. The application committee had to make some difficult decisions, but we are happy to announce their election of the five prospective candidates: Joal Graeff for the position of Chair, backed by Julia Gorny as the Secretary. Jorian Moree will take over the position as the External Affairs Officer and Joris Rommerts will take care of the financials as the new treasurer. Your trusted Internal Affairs Officer will stay Evy De Joode. However, this decision cannot be made without you as a member and therefore at the end of term 4 they will (or will not) be confirmed by the GA.

Pub Quiz

Given the great success of our previous pub quiz together with the social club, the NCF Board and Social Club are organizing another pub quiz on the 3rd of June at 5 pm. Sign up and have fun puzzling over some (not so) 'general-knowledge questions together with staff and students.

Dutch Courage Committee

Hello NCF members!! We are the Dutch Courage Committee and we are here to have a great time with you! Do you want to meet other NCF members and have a fun time doing so? Do you want to be able to party but still do it safely? Then we are here to help. As the Dutch Courage Committee, we get our name from the strength or confidence gained from drinking. Up until now, we have organized two events, a movie drinking game night where we watched Shrek the third on Netflix party and a Spring Break Battle where we provided all participants with a liter of cocktail and had a great evening full of entertaining challenges! If you would like to stay up to date with our events, feel free to follow us on Instagram: dccncf. We hope to see you at our next event with smiles and drinks!! On behalf of the board: Chair: Jasmine Hufferd, Secretary: Livia Westgeest, Treasurer: Roel van Klaveren, PR-responsible: Wybe van Geest, General member: Linde Lokin

Reminder: Housing and Job Offers

In an effort to create a supportive community we try to establish platforms in which you can exchange information on your housing situation (for example you are moving out and looking for someone to take over your room or you are looking for a place to stay) and to connect staff and students by the means of small side jobs (tutoring etc). Thus, make sure to check out those platforms on our Nestor organization!

Koningsdag Photo Competition

The second, rather uncommon Koningsdag in a row, and we wanted to know how you celebrate it! We received some lovely pictures which we featured on our Instagram. The winner, chosen by you, is the team of Ester, Frida, Helena and Maria who celebrated in a very original and GRL-style type of way. A typical dutch bouquet of tulips and a gift voucher for some delicious vegan cakes at Pip's was their prize!
